Spent most of my time reading through the examples and consolidating research.

filtered research to include:

- Geographical or climatic features
  - hot springs!
  - covered in mist
  - beautiful nature nearby
- Famous places (▨▨▨▨▨▨▨) or products (▨▨▨▨▨▨▨)
  - many types of hot springs
  - amazing park
  - the “Hells of Beppu”
  - monkey park
- What you can see, do, and/or eat there
  - onsen food
    - onsen egg
  - hot springs, of course, but also hot sand baths and steam baths
  - and also, some theme parks
- Why you like it or recommend it
  - hot springs are very cool
  - food is very good
- Any other “fun facts”
  - over 100 hot springs!
  - produces more hot spring water than any other resort
