Met today!

- Talked to 15 plus people
- Day 1 slides + team info here
- Speedating did not go well — no one joined their BR!
- Help with recruiting

New member: **Ellie Kerns, 9, Ellie Kearns** ellkear@nuevaschool.org

Waaay back in the beginning...

- Interest in field of pediatrics
- Transition from hospital => home
- Talked to John + School nurse: looked at the Tourett's syndroym
 - Learned about CBIT therapy
 - Talked with Logan about Tourett's syndrom
 - Got a lot of info about the problems of CBIT
 - Process of CBIT
 - Learn about when tics happen
 - Learn about a competing response to the tic
 - Profit!
- Needs
 - Sounds like they need ML engineers! => Hard to distinguish tics
 - And also Fab + material science people => Skin contact causes tics

Meet: Wednesdays

Prototyping =>

And also work on branding.
