## 1 | Crisis of Liberal Democracy

- When an individual seizes power by force without remediation from constitution
- When corrupt, charismatic leaders take control of power
- When popular support becomes undefeated
- When a party becomes uniformly controlling of the government without competition
- When unifying crises occur
- When promises go unchecked or undelivered
- When promises becomes overdelievered
- When central tenants of demcracy were extrinsically distrubed
- When police and millitary becomes over-controlling
