- 1) What is the difference between colonialism vs. imperialism?
 - Trying to “Fix” the other cultures — colonialism
 - Trying to strengthen your own — imperialism
- 2) What is globalization?
 - The process of the world being more inter-connection
- 3) How might globalization compare with imperialism?
 - Rejection — imperialists will reject globalization because of the desire not to collaborate/compromise

Imperialism => Globalization * Kingland => Companyland * Smaller, product-based control

But! All three things {Globalization, Imperialism, Colonialism} requires exploitation.
