1 | Prompt

2 | Planning

- bulliet, maybe a little bit of gelvin for ottoman silver
- gelvin talks about silver trade a little, 17th century collapse was because silver
- mann talks about silver on spain
- why did china react the way they did and how did it affect them?
- as you look at differing responses, might pull in how silver trade relates to creatinog of trade based vs territory based empires
 - or similarities and differences and those become the paragraphs
 - maybe everyone reacted differently and some were screwwed less because silver but more blank (centralization, conservatism)
- ways different
 - fernt trade treaties
 - maybe silver made different impacts on their economic system
- next steps
 - think about how ottoman vs ming silver reaction differed
