- 1) What is the difference between colonialism vs. imperialism?
  - Trying to “Fix” the other cultures — colonialism
  - Trying to strengthen your own — imperialism
- 2) What is globalization?
  - The process of the world being more inter-connection
- 3) How might globalization compare with imperialism?
  - Rejection — imperialists will reject globalization because of the desire not to collaborate/compromise

**Imperialism => Globalization** \* Kingland => Companyland \* Smaller, product-based control

But! All three things {Globalization, Imperialism, Colonialism} requires exploitation.
