- 2 | **germany and russia are both looking each other with paranoia**
- 3 | **because germany industrialized fast and russia has lots of people**
- 4 | **from 1880 to 1913, germany's manufacturing output share (of the world) doubles (table 18)**
- 5 | **table 19: everybody is amassing military, and nobody can be sure that the others aren't going to attack (security dilemma)**
- 6 | **table 20: great britain builds up it's navy (and is scared of germany because they've gone from 88k to 1.3M tons)**
 - 6.1 | **dreadnaughts: germany comes up with a ship that makes all others obsolete, and an expensive arms race insues**
 - 6.2 | **we can't be sure what people's motives were, can only look at old correspondences and journals**
