### 1.2 | General ideas:

### 1.2.1 **Opt 2:**

Look at the free market / mercantilism

Where free market fails / succeeds and where mercantalism fails / succeeds

- 1. Go either way:
  - 1. free market would have worked becuase it is a better system
  - 2. free market doesnt work when others are not free market
  - 3. free market is to drastic of an ideology for it to have taken effect

use places where one excels over the other

find examples (or in the negative) in texts

this aspect of the free market workes well, it was applied here

OR:

The free market could not work due to the enlightenment

Enlightenment philosiphy: reductionist, everything can be reduced to ideals. top down.

Free market completely uproots that with the idea of emergent properties

Body paragraphs...?

1. prove enlightnement is top down | prove free market is bottom up | ?
