1 | Charles Mann's Ming Dynasty

Zheng He + Seafaring

Ming initially had huge sponsoring of huge maritime expeditions with Zheng He at the helm. However, at the change of the emperor, this stopped and lead way to a closing and disruption of the Chinese Economy.

See [KBhHIST201ZhengHeSeafaring] Zheng He + Seafaring

According to Charles Mann, this eventually contributed to an arm of China's decline KBhHIST201ChinasDeclineWRTZhengHe .

Currency Problems + Botched Reopening

China's currency began to show strain as Bronze prices increase whist China deals with a botching reopening plan after closing the economy after Zheng He.

Basically, after Zheng He, the Ming leadership attempted a...
